

LARGE 25 GALLON VINYL ZIP BAG WITH LID

JANITORIAL CART WITH COVER

#86510

Not just the average Janitorial Cart

This high-density plastic janitorial cart can hold just about everything needed for cleaning. The cart features 3 sturdy shelves, mop and broom holders, and a hinged lid that covers the vinyl collection bag to prevent unpleasant smells from emanating during garbage collection. It also features a versatile front platform that can hold a traditional mop bucket, a 20L microfibre flat mop bucket or even a 20L garbage can.

The rugged 25 gallon vinyl bag with side zipper permits easy emptying and attaches securely to the cart for waste or laundry collection. The cart includes a support shelf to help reinforce heavy garbage or laundry loads and helps prevent the vinyl bag from tearing. Large rear wheels and swivel front casters allow easy manoeuvrability, even in tight areas.
